COMMON SENSE

Leads most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrapper and attest its correctness under oath, are daily growing in favor. The composition of Dr. Pierce's medicines is open to everybody. Dr. Pierce's medicines are of having the search light of investigation turned fully upon his formulae, being considered the most reliable of all medicines. It is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, they are chemically pure and therefore being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examining the formula on their bottle wrapper—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages, no medicine will do that yet does cure all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and haemorrhoids, which, if neglected or badly treated lead up to and finally terminate in consumption. Take the "Golden Medical Discovery" in time and it is not likely to disappoint you if only you give it a thorough and fair trial. Don't expect miracles. It won't do supernatural things. You must exercise your patience and persevere in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicines at reasonable prices.

Remedy CATARRH
Ely's Cream Balm
Is quickly absorbed.
Gives Relief at Once.
It cleanses, soothes, heals and protects the diseased membrane from infection, and drives away a Cold in the Head quickly. Restores the Senses of Taste and Smell. Full size 50 cents, at Druggists or by mail. In liquid form, 75 cents. 21st Broadway, 6th Floor, New York.

PAIN
Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—draws blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Certainly, though safety, it surely equalizes the blood circulation.
If you have a headache, it's blood pressure. It's a painful period with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certain, for Dr. Shoop's Headache Tablets stop it in 30 minutes, and the tablets simply distribute the unnatural blood pressure.
Brush down't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is. It's simply Common Sense.
We sell at 25 cents, and cheerfully recommend

DEATH OF ISAAC D. SURRATT.

As stated in Monday's Gazette, Isaac D. Surratt, son of Mrs. Mary E. Surratt, hanged in Washington in 1865, charged with complicity in the assassination of President Lincoln, died Sunday morning at his home in Baltimore from indigestion and paralysis of the heart. The deceased, who was 66 years old, was born at Foxhall, the old Surratt home, in the District of Columbia. Mr. Surratt when he had entered manhood was engaged in railroad work in the vicinity of Alexandria. Prior to the breaking out of the civil war he went South and was for several years in the government mail service, carrying the mail from Texas to small points in Mexico. At the outbreak of hostilities the deceased immediately joined a company attached to the First Texas Cavalry, under the command of Gen. Bankhead Magruder, and participated in many fierce battles. Mr. Surratt was numbered among those Confederates who never surrendered, for when the news was received that Lee had laid down his arms at Appomattox, the entire company of which he was a member fled into Mexico, their purpose being to join Maximilian's forces during the uprising in the latter country. But here trouble was encountered, for Maximilian insisted on selecting officers for the troop, and rather than submit to any such treatment the company of Confederates hurriedly took their departure. From Mexico Mr. Surratt went to Europe, where he remained for nearly a year, and it was not until he returned to this country that he learned of the execution of his mother.

Court Room Guarded.

Rome, Nov. 6.—With a cordon of troops drawn around the building in which his trial is in progress, former Minister of Public Instruction Nuzzi Nasi entered the prisoner's dock yesterday to answer charges of misappropriating government funds while in office. Nasi is the people's idol and throngs of his sympathizers packed the street all about the place of the trial, pressing in the streets, cheering the accused ex-official and denouncing the government. The authorities are averse to resort to extreme measures in case of dire necessity, but the situation is so threatening that strong forces of reserves are held in readiness for an emergency call, and there are indications that they will be needed unless Nasi is vindicated. Signor Lombardi, Nasi's former secretary, is under indictment with the latter. Though suffering from pneumonia and unable to speak above a whisper, he has courted almost certain death by compelling his friends to bring him to the trial room in the hope that his testimony may acquit his former master and himself. Riotous demonstrations have occurred at Trapani, in Sicily, Nasi's home town, where the people have elected the accused statesman president of the municipal council and a national deputy to show their confidence in him. A detachment of infantry is maintaining a semblance of order.

The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop, of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Health Coffee" is really the closest Coffee imitation ever yet produced. Not a grain of real Coffee in it either. Health Coffee imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would be a real Coffee. It is sold by Dr. Shoop's Coffee Substitutes. Sold by E. S. Leadbeater & Sons.

Calls Him a Coward.

Bridgeport, Conn., Nov. 6.—Branding her wealthy young husband a scoundrel, a liar and a coward, for charging her with second marriage, Mrs. Henry Johnson Lord today indignantly vowed she would meet his divorce proceedings in court. She said she would prove, not only that she is falsely accused, but that her husband is himself guilty of paying too much attention to other women, among them a New York heiress, who spends much time in a Connecticut summer town. Mrs. Lord, who was Miss Augusta Emanuel, of New York, before her marriage, says her husband is simply imitating Augustus J. Harje, the Pittsburg millionaire, because he has not sufficient originality to trump up grounds for divorce of his own.

A Significant Prayer.

"May the Lord help you make Bucklen's Arnica Salve known to all," writes J. G. Jenkins, of N. C. It quickly took the pain out of a felon he had and cured it in a wonderfully short time. "Best ointment for sores, burns and wounds." See at all drug stores, or mailed by Ely Bros., 56 Warren Street, New York.

FOR OVER SIXTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and take for Mrs. Winslow's Soothing Syrup and ask for no other kind. Guaranteed under the food and drug act June 24th, 1906. Serial number 1069.

LOSES \$200 FROM HER STOCKING

Miss L. Arthur, a pretty New York girl, is mourning the loss of \$200 in bills which she mislaid while at dinner at the Hotel Wellmore Atlantic City. The loss of the money worries the young lady, but the most puzzling feature of the affair is the manner of its loss, the cash having reposed in her stocking. The charming young woman blushed when she told the police of the repository of the money before its loss, and her face turned deep crimson when a hardhearted sleuth insisted on a reply to his query as to whether her garter was in a class repair. So far the money has not been traced, but the police have hope that it merely worked its way over the top of the encasement of the shapely member and will be returned by some honest guest of the house who may have found it.
